

## **REQUEST FOR PROPOSALS**

### **Course Development: Working at Heights**

**Reference Number:  
2018-0008 - RP**

The Workers' Safety and Compensation Commission (WSCC) requires the services of a qualified vendor to develop a competency based training course in "Working at Heights". This course will be reviewed and approved by the Chief Safety Officer and will form the basis of the training to be delivered to workers across the Northwest Territories and Nunavut.

The WSCC will accept proposals until:  
**2:00 PM, LOCAL TIME (MT), MARCH 5, 2018**
