WSCC Careers

## Systems Architect, Yellowknife
**N18/29NT**

The Workers' Safety and Compensation Commission of the Northwest Territories and Nunavut has exclusive jurisdiction in all matters affecting compensation for workers injured on the job, and is responsible to administer occupational health and safety legislation for all workers and employers within the Northwest Territories and Nunavut. We uphold the values of respect, engagement, integrity, openness, cultural safety, excellence and stewardship.

This position is based in Yellowknife and reports to the Manager, Information Systems. This position supports the WSCC by ensuring services provided to stakeholders are not compromised by the WSCC's inability to use their system and application resources efficiently and effectively.

The Systems Architect (SA) produces practical specifications for the construction of information systems to meet the WSCC's needs by initiating and performing investigatory, feasibility and analytical studies. The SA must also match the quality of service to the existing and future capabilities of information systems. The incumbent works closely with external contractors and WSCC stakeholders to develop plans and specifications for business system design.

The Systems Architect performs complex systems analysis, design, development, maintenance, administration and integration tasks for the Information Services Unit. These services are provided in accordance with Information Services operational framework standards, procedures, within approved financial limits and system capabilities.

We are looking for a candidate who has broad knowledge of systems development, extensive knowledge of the full System Development Life Cycle, and systems architecture methodologies. The successful applicant must be flexible, analytical, work well within a team and be able to support clients in the daily use of application systems and databases.

We require a relevant post-secondary degree, and 4 years of progressively more responsible related experience. Certification in TOGAF 9 is considered an asset.

The salary ranges from $49.02 to $58.53 hourly (approx. $95,589 to $114,133.50 annually), plus an annual Northern Allowance of $3,450.

**A satisfactory criminal records check is required for this position.**

Closing Date: **July 3, 2018**

*You must clearly identify your eligibility to receive priority consideration under the Affirmative Action Policy. The WSCC is an inclusive workplace. If you have a disability and require support or accommodation during the hiring process, we encourage you to identify your needs when we contact you for an interview. We may use this competition to fill similar vacancies that become available over the next six months. The ability to communicate in an official language of the NWT, in addition to English, is an asset.*
